

The Parent-Infant Center Tuition Assistance Application

Any family enrolling at The Parent-Infant Center is welcome to apply for scholarship assistance. Please understand that priority is given to families whose income is between 235-to-300 percent of the federal poverty level. Special consideration is also given to families needing temporary assistance because of a short-term family emergency. Applications for assistance are not reviewed until a family has confirmed enrollment by paying the full tuition deposit and household tax return.

PIC is able to offer scholarship assistance to families because of energetic fundraising events and our Parent Participation Program (PPP). We count on *all* of our families to help with these events. Are you willing to commit your family to helping raise at least \$200 during the next year? _____

This can be done by volunteering to help organize events, selling plants, contributing goods or services or bringing friends to ArtStart

If you have been at PIC during the current fiscal year, please answer the following questions:

Is your tuition account paid in full? _____ What is your PPP status? _____ hours

If your account is in arrears, your scholarship application will depend on making a written payment plan and demonstrating a commitment to regularly scheduled payments to bring your tuition and PPP accounts to zero balance by June 10.

Approximately how much did you help raise through the plant sale and auction? _____

You **MUST** attach a copy of your household's tax return for this year OR a copy of your CCIS service authorization form. *Applications will not be considered without one of these documents.* **Spring requests for the next fiscal year are due by May 1. Families will be notified by June 1.** At other times of the year, scholarship requests should be submitted as soon as possible. Families will usually be notified of action within two weeks. Return all applications to the PIC Executive Director.
