

The Parent-Infant Center Tuition Assistance Application

Any family enrolling at The Parent-Infant Center is welcome to apply for scholarship assistance. Priority is given to families whose income is between 235-to-300 percent of the federal poverty level. Special consideration is also given to families needing temporary assistance because of a short-term family emergency. Applications for assistance are not reviewed until a family has confirmed enrollment by paying the full tuition deposit and providing a current household tax return.

This can be done by volunteering to help organize events, selling plants, contributing goods or services or bringing friends to ArtStart

If you have been at PIC during the current fiscal year, please answer the following questions:

If your account is in arrears, your scholarship application will depend on making a written payment plan and demonstrating a commitment to regularly scheduled payments to bring your tuition and PPP accounts to zero balance by June 10.

You **MUST** attach a copy of your household's tax return for this year. **Spring requests for the next fiscal year are due by May 1.
