

ArtStart 2017

A fundraiser to benefit the Parent-Infant Center Thursday, October 19, 2017

The Parent-Infant Center is a nonprofit organization that supports parenting by enabling children to grow and learn in a safe, stimulating, loving environment—something every child deserves!

All children deserve the rich early learning and school age-programming that we provide at PIC, and your generous donation helps to make that happen. Your strong support of our fundraising efforts allows us to help families who may need assistance in meeting the high costs of quality child care.
