

ArtStart 2013

**A fundraiser to benefit the Parent-Infant Center
Thursday, October 17, 2013**

The Parent-Infant Center is a nonprofit organization that supports parenting by enabling children to grow and learn in a safe, stimulating, loving environment—something that every child deserves!

We provide early care, after-school programs, weekly playgroups and summer camp for families who live or work in the diverse communities of West Philadelphia. PIC Scholarships support families that otherwise would be unable to afford high-quality child care, programs that we know provide the foundation for a child's continued success in school and in later life.

Money raised through ArtStart will help our Scholarship Fund grow and enhance the quality of PIC programs.
