GET INVOLVED 2016!

Dear PIC Families,

The Board of Directors has been hard at work this year but we need your input and participation to accomplish future goals and to continue to provide high quality childcare to all. This year's goals include:

- ❖ Re-envisioning the **PPP program**
- ❖ Exploring opportunities for **expansion and facilities improvements**
- ❖ Ensuring the continuation of **diversity** at PIC, with specific focus on socio-economic diversity
- ❖ Seeking initiatives to increase the **quality of experiences** for children and families

As a non-profit, PIC relies heavily on parent involvement to ensure the growth and success of the center. Accordingly, the PIC Board of Directors invites you to our **Get Involved Event** where you can learn more about how you can be part of the strategic planning and implementation of these goals. Come meet your current directors and committee chairpersons who are actively seeking new members and hear more about ways to get involved.
